684, 686, 694, 705,
733, 746, 847, 991

Mr. President, your committee on Enrollment and Review respectfully reports we have carefully examined and engrossed LB 622, 680, 684, 686 and 733 and all are correctly engrossed.

Senator Koch would like to print amendments to LB 694; Senator George to LB 705; Senator Kelly to 847; and Senator Keyes to LB 613. (See pages 1173-1177 of the Legislative Journal.)

Senator Maresh has two sets of amendments to LB 361. (See pages 1179-1180 of the Legislative Journal.)

Mr. President, Senator DeCamp and Labedz move to place LB 746 on General File notwithstanding the actions of the committee

SPEAKER MARVEL: Senator Reutzel, would you like to adjourn us until nine o'clock tomorrow morning?

SENATOR REUTZEL: Mr. Speaker, members of the body, I would move we adjourn until 9:00 a.m. March 13.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Mr. Speaker, a question of the Chair.

SPEAKER MARVEL: Yes, sir.

SENATOR KOCH: I'm sorry I missed the meeting this morning but I would suggest we seriously consider working in the afternoons until five o'clock if we are going to try to get some of the bills moved and that way we would utilize a full day. I don't mind putting in eight hours here and I would hope others would not either.

CLERK: Mr. President, your committee on Judiciary whose chairman is Senator Nichol to whom is referred LB 991 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File with amendments. (See page 1177 of the Legislative Journal.)

SPEAKER MARVEL: Senator Koch, I guess it is my fault. I guess I am the one that is exhausted and I had Senator Reutzel make the motion. I don't know whether he wants to withdraw it or not.

SENATOR KOCH: I was only speaking about possibly starting next week, Senator Marvel. I can understand your exhaustion. I would be too.
